

Supporting EPC and energy efficiency service (EES) providers in decarbonising buildings

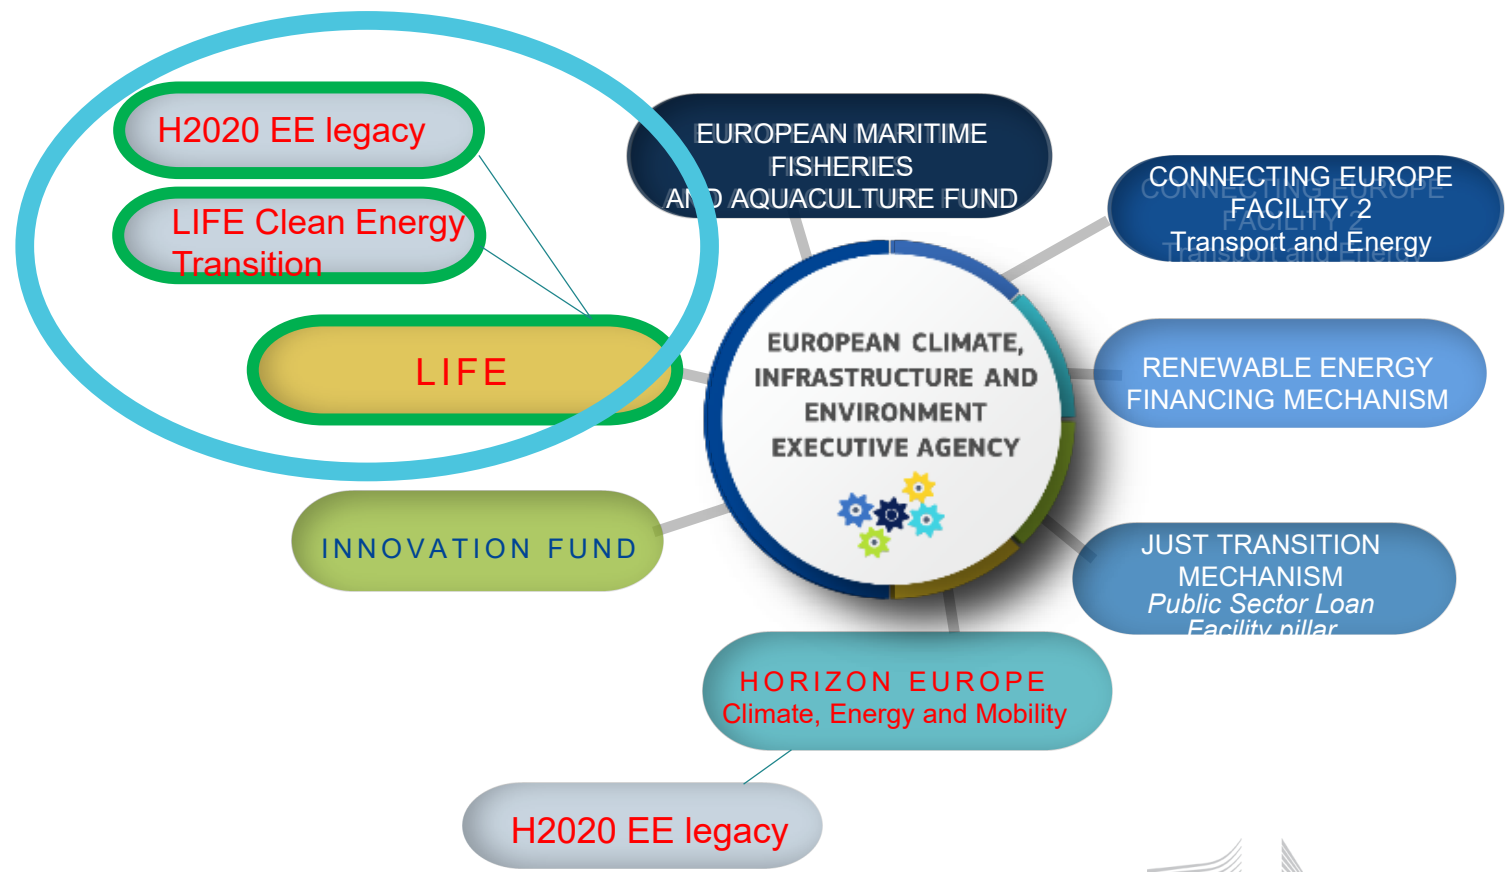

Roundtable organised by the H2020 projects REFINE and FinEERGO-Dom

Céline TOUGERON, Project Adviser, CINEA

WSED, 03/03/2023

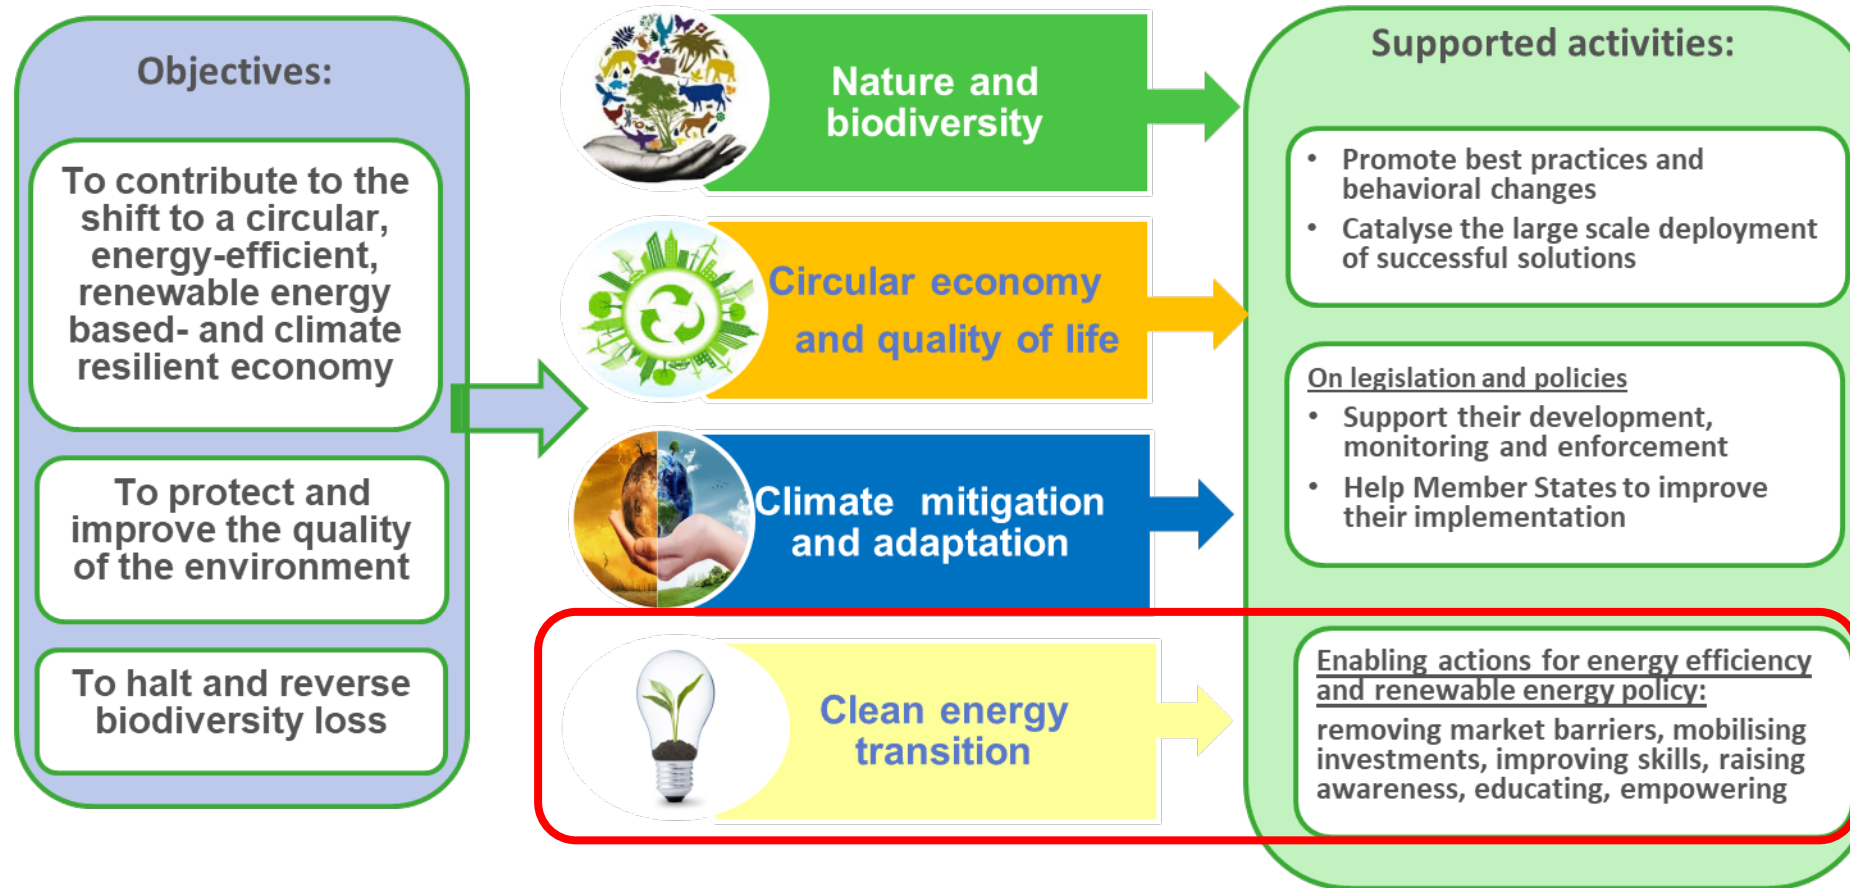

European Climate, Infrastructure and Environment Executive Agency (CINEA)

- Implementing the new portfolio of programmes in support of the European Green Deal
- Boosting the efficient use of resources by moving to a clean circular economy, restoring biodiversity, cutting pollution, and achieving climate neutrality by 2050

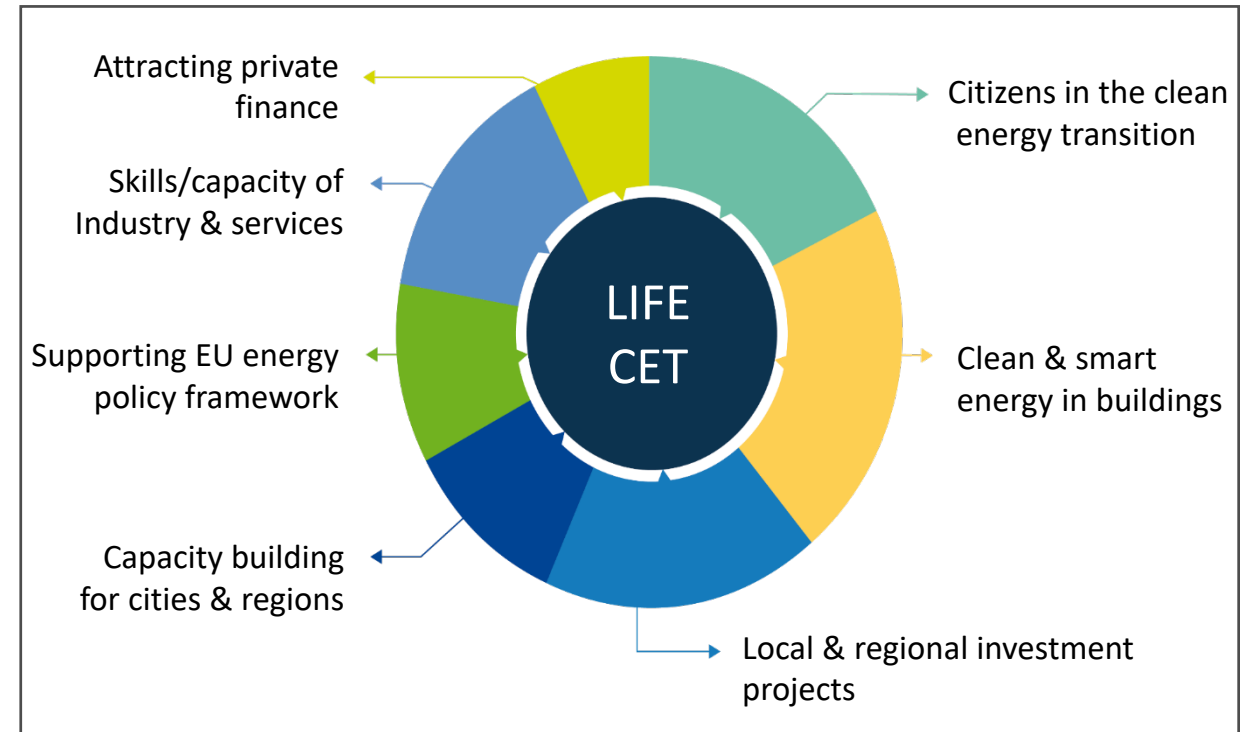

LIFE- Clean Energy Transition (CET)

- ✓ Continuation of market uptake Coordination and Support Actions under Horizon 2020- Energy Efficiency
- ✓ 7 years budget of almost €1 bn

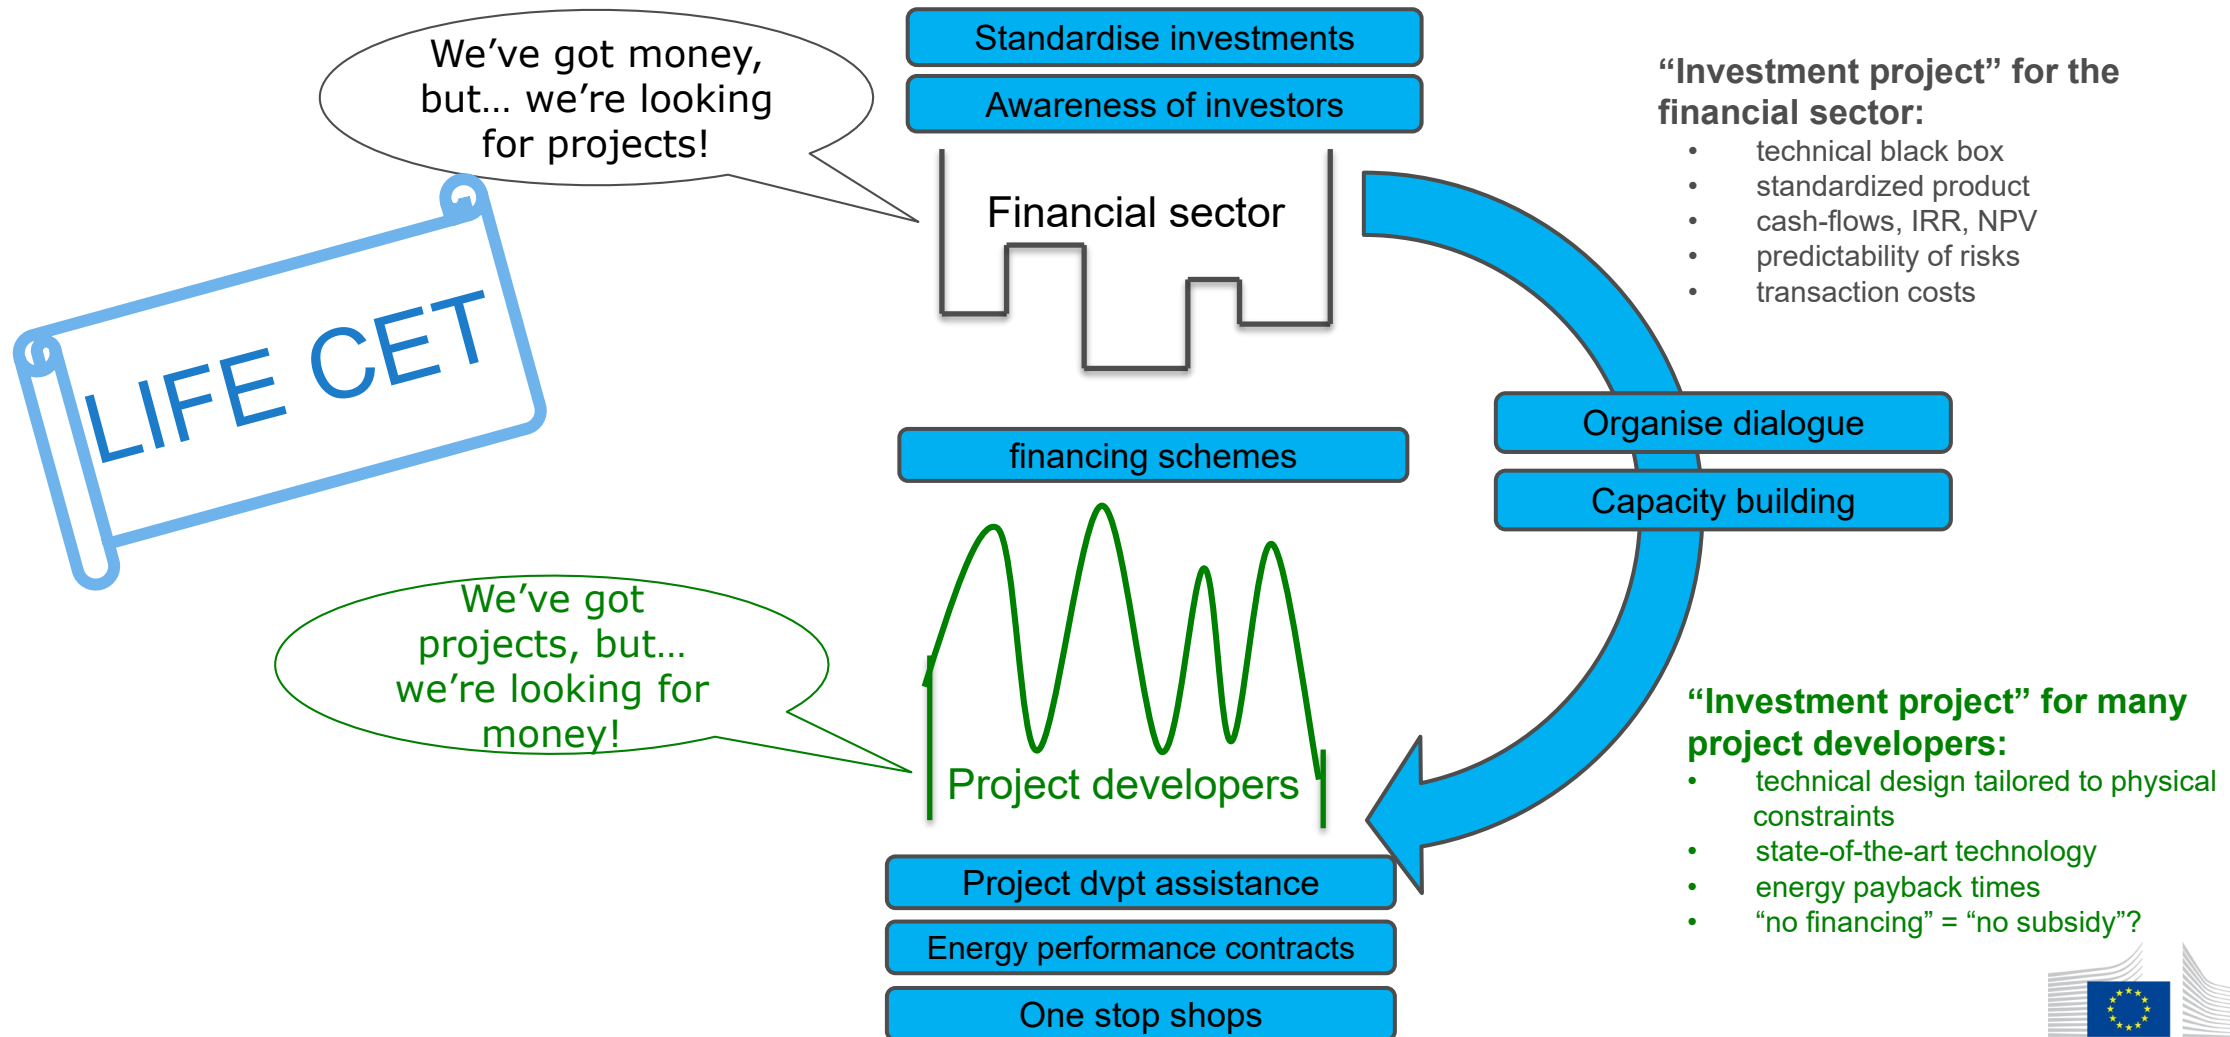

LIFE- Clean Energy Transition (CET) Intervention areas

1. National, regional and local policy framework
2. Technology roll-out, digitalisation, new services and business models and professional skills
3. Attracting private finance
4. Mobilization of investment for local and regional projects
5. Involving and empowering citizens

Finance and energy efficiency investments: trying to match squares and circles?

LIFE CET – next opportunities

- Call opening: **Mid May 2023**
- Deadline: **Mid November 2023**
- Policy-driven funding topics with **detailed guidance**
- Most funding topics: **minimum of 3 (eligible) entities from 3 different eligible countries** (average number of partners is higher)
- **95% co-funding rate**
- Apply electronically via the EC's [Funding & Tender opportunities portal](#)
